## **SERVICES**

*The Mission* of Hope Alliance is to assist those whose lives have been affected by family and sexual violence by providing services, safety and developing partnerships that lead to hope, healing and prevention.

**Hope Alliance's Vision** is to provide hope to future generations through prevention, and by leading the field in saving and transforming lives affected by family and sexual violence.

Hope Alliance believes that physical, sexual, emotional and psychological abuse of one human being by another is unacceptable. We believe that all abuse perpetrated by one towards another diminishes or prohibits the full expression of life and growth that is every person's right.

## COMMUNITY SERVICE

**Volunteer or Intern** - After completing a 32-40 hour training program, Volunteers and Interns become certified Sexual Assault Advocates. As such, they are eligible to have direct contact with clients. Advocates may also answer hotline calls, assist with children's' programming, work in the office, the shelter or accompany clients to the hospital or to the courts.
